## Residential filed in Argaka village

**€560,000 +VAT**

beautifully located in a very quiet road with all local amenities with blue flag beaches and with nice views of the surrounding area and the Chrysochou bay.

The property has a 8,188 m<sup>2</sup> and it falls within the Residential planning zone H2 and H3 with 90% & 60% building density .

This really is a beautiful place to live or for investment,,,

would present a very good opportunity due to the location and the up and coming projects in the area.
