

#6349

**€1,580,000**

With its towering structure, this project is designed to be a major landmark on the south coast of the island. In secure grounds, the impressive building comprises luxury apartments – each with either a 2 or 3 bedroom double height apartments with roof gardens. It's not often that the words 'luxury' and 'affordable' come together. Using our unique building design concepts we have created an apartment building that permeates luxury and sophistication, while at the same time delivering outstanding value for money and unbelievable investment potential. This unit has a private roof garden and has 2 floors.
