

An aerial photograph of a modern, multi-story white building complex, likely a residential or institutional structure, featuring flat roofs and numerous solar water heaters. The building is situated in a densely populated urban area, surrounded by older, lower-rise residential structures and greenery. A large, open green field is visible in the background, and a road runs along the right side of the complex. The sky is clear and blue. In the top left corner, there is a black box with the white text "#6499".
